Renewable and Sustainable Energy Reviews 15 (2011) 3575–3587

WITHDRAWN: Investigating the need of nuclear power plants for sustainable energy in Iran

A. Mazandarani *

Department of Mechanical Engineering, Faculty of Engineering, University of Malaya, 50603Kuala Lumpur,Malaysia

This article has been retracted: please see Elsevier Policy on Article Withdrawal (http://www.elsevier.com/locate/withdrawalpolicy).
This article has been retracted at the request of the author as it contains significant scientific errors. The paper was also submitted without the consent of the co-authors. The lead author apologizes sincerely for the technical oversight and to the coauthors for submitting without consultation.
As a consequence, pages 3575–3587 originally occupied by the retracted article are missing from the printed issue. The publisher apologizes for any inconvenience this may cause.
